194.011 Assessment notice; objections to assessments.—

(1) Each taxpayer whose property is subject to real or tangible personal ad valorem taxes shall be notified of the assessment of each taxable item of such property, as provided in s. 200.069.

(2) Any taxpayer who objects to the assessment placed on any property taxable to him or her may request the property appraiser to informally confer with the taxpayer. Upon receiving the request, the property appraiser, or a member of his or her staff, shall confer with the taxpayer regarding the correctness of the assessment. At this informal conference, the taxpayer shall present those facts considered by the taxpayer to be supportive of the taxpayer's claim for a change in the assessment of the property appraiser. The property appraiser or his or her representative at this conference shall present those facts considered by the property appraiser to be supportive of the correctness of the assessment. However, nothing herein shall be construed to be a prerequisite to administrative or judicial review of property assessments.

(3) A petition to the value adjustment board shall describe the property by parcel number and shall be filed as follows:

(a) The property appraiser shall have available and shall distribute forms prescribed by the Department of Revenue on which the petition shall be made. Such petition shall be sworn to by the petitioner.

(b) The completed petition shall be filed with the clerk of the value adjustment board of the county, who shall acknowledge receipt thereof and promptly furnish a copy thereof to the property appraiser.

(c) The petition shall state the approximate time anticipated by the taxpayer to present and argue his or her petition before the board.

(d) The petition may be filed, as to valuation issues, at any time during the taxable year on or before the 25th day following the mailing of notice by the property appraiser as provided in subsection (1). With respect to

an issue involving the denial of an exemption, an agricultural classification application, or a deferral, the petition shall be filed at any time during the taxable year on or before the 30th day following the mailing of the notice by the property appraiser under s. 193.461 or s. 196.193 or notice by the tax collector under s. 197.253.

(e) A condominium association, cooperative association, or any homeowners' association as defined in s. 723.075, with approval of its board of administration or directors, may file with the value adjustment board a single joint petition on behalf of any association members who own parcels of property which the property appraiser determines are substantially similar with respect to location, proximity to amenities, number of rooms, living area, and condition. The condominium association, cooperative association, or homeowners' association as defined in s. 723.075 shall provide the unit owners with notice of its intent to petition the value adjustment board and shall provide at least 20 days for a unit owner to elect, in writing, that his or her unit not be included in the petition.

(f) An owner of contiguous, undeveloped parcels may file with the value adjustment board a single joint petition if the property appraiser determines such parcels are substantially similar in nature.

(g) The individual, agent, or legal entity that signs the petition becomes an agent of the taxpayer for the purpose of serving process to obtain personal jurisdiction over the taxpayer for the entire value adjustment board proceedings, including any appeals of a board decision by the property appraiser pursuant to s. 194.036.

Note.—Former s. 193.25.

194.013 Filing fees for petitions; disposition; waiver.—

(1) If so required by resolution of the value adjustment board, a petition filed pursuant to s. 194.011 shall be accompanied by a filing fee to be paid to the clerk of the value adjustment board in an amount determined by the board not to exceed \$15 for each separate parcel of property, real or personal, covered by the petition and subject to appeal. However, no such filing fee may be required with respect to an appeal from the disapproval of homestead exemption under s. 196.151 or from the denial of tax deferral under s. 197.253. Only a single filing fee shall be charged under this section as to any particular parcel of property despite the existence of multiple issues and hearings pertaining to such parcel. For

joint petitions filed pursuant to s. 194.011(3)(e) or (f), a single filing fee shall be charged. Such fee shall be calculated as the cost of the special master for the time involved in hearing the joint petition and shall not exceed \$5 per parcel. Said fee is to be proportionately paid by affected parcel owners.

(2) The value adjustment board shall waive the filing fee with respect to a petition filed by a taxpayer who demonstrates at the time of filing, by an appropriate certificate or other documentation issued by the Department of Health and Rehabilitative Services and submitted with the petition, that the petitioner is then an eligible recipient of public assistance payments under s. 409.185.

(3) All filing fees imposed under this section shall be paid to the clerk of the value adjustment board at the time of filing. If such fees are not paid at that time, the petition shall be deemed invalid and shall be rejected.

(4) Should the petitioner prevail at the value adjustment board hearing or in a conference with the property appraiser, resulting in a reduced assessment or increased exemption, the filing fee shall be refunded to the taxpayer no later than 45 days after certification of the tax roll under s. 193.122(1). The refund shall be made by the clerk of the value adjustment board without any further authority from the Department of Revenue under s. 197.182.

(5) All filing fees collected by the clerk shall be allocated and utilized to defray, to the extent possible, the costs incurred in connection with the administration and operation of the value adjustment board.

194.015 Value adjustment board.—There is hereby created a value adjustment board for each county, which shall consist of three members of the governing body of the county as elected from the membership of the board of said governing body, one of whom shall be elected chairperson, and two members of the school board as elected from the membership of the school board. The members of the board may be temporarily replaced by other members of the respective boards on appointment by their respective chairpersons. Any three members shall constitute a quorum of the board, except that each quorum must include at least one member of said governing board and at least one member of the school board, and no meeting of the board shall take place unless a quorum is present. Members of the board may receive such per diem compensation as is allowed by law for state employees if both bodies elect to allow such compensation. The clerk of the governing body of the county shall be the clerk of the value adjustment board. The office of the county attorney may be counsel to the board unless the county attorney represents the property appraiser, in which instance the board shall appoint private counsel who has practiced law for over 5 years and who shall receive such compensation as may be established by the board. No meeting of the board shall take place unless counsel to the board is present. However, counsel for the property appraiser shall not be required when the county attorney represents only the board at the board hearings, even though

the county attorney may represent the property appraiser in other matters or at a different time. Two-fifths of the expenses of the board shall be borne by the district school board and three-fifths by the district county commission.

194.032 Hearing purposes; timetable.—

(1)(a) The value adjustment board shall meet not earlier than 30 days and not later than 45 days after the mailing of the notice provided in s. 194.011(1); however, no board hearing shall be held before approval of all or any part of the assessment rolls by the Department of Revenue. The board shall meet for the following purposes:

1. Hearing petitions relating to assessments filed pursuant to s. 194.011(3).

2. Hearing complaints relating to homestead exemptions as provided for under s. 196.151.

3. Hearing appeals from exemptions denied, or disputes arising from exemptions granted, upon the filing of exemption applications under s. 196.011.

4. Hearing appeals concerning ad valorem tax deferrals and classifications.

(b) Notwithstanding the provisions of paragraph (a), the value adjustment board may meet prior to the approval of the assessment rolls by the Department of Revenue, but not earlier than July 1, to hear appeals pertaining to the denial by the property appraiser of exemptions, agricultural classifications, and deferrals under subparagraphs 2., 3., and 4. of paragraph (a). In such event, however, the board may not certify any assessments under s. 193.122 until the Department of Revenue has approved such assessments in accordance with s. 193.1142 and all hearings have been held with respect to the particular parcel under appeal.

(c) In no event may a hearing be held pursuant to this subsection relative to valuation issues prior to completion of the hearings required under s. 200.065(2)(c).

(2) The clerk of the governing body of the county shall prepare a schedule of appearances before the board based on petitions timely filed with him or her. The clerk shall notify each petitioner of the scheduled time of his or her appearance no less than 5 calendar days prior to the day of such scheduled appearance. A copy of the property record card containing relevant information used in computing the taxpayer's current assessment shall be included with such notice, if said card was requested by the taxpayer. Such request shall be made by checking an appropriate box on the petition form. No petitioner shall be required to wait for more than 4 hours from the scheduled time; and, if his or her petition is not heard in that time, the petitioner may, at his or her option, report to the chairperson of the meeting that he or she intends to leave; and, if he or she is not heard immediately, the petitioner's administrative remedies will be deemed to be exhausted, and he or she may seek further relief as he or she deems appropriate. Failure on three occasions with respect to any single tax year to convene at the scheduled time of meetings of the board shall constitute grounds for removal from office by the Governor for neglect of duties.

(3) The board shall remain in session from day to day until all petitions, complaints, appeals, and disputes are heard. If all or any part of an assessment roll has been disapproved by the department pursuant to s. 193.1142, the board shall reconvene to hear petitions, complaints, or appeals and disputes filed upon the finally approved roll or part of a roll.

194.034 Hearing procedures; rules.—

(1)(a) Petitioners before the board may be represented by an attorney or agent and present testimony and other evidence. The property appraiser or his or her authorized representatives may be represented by an attorney in defending the property appraiser's assessment or opposing an exemption and may present testimony and other evidence. The property appraiser, each petitioner, and all witnesses shall be required, upon the request of either party, to testify under oath as administered by the chairperson of the board. Hearings shall be conducted in the manner prescribed by rules of the department, which rules shall include the right of cross-examination of any witness.

(b) Nothing herein shall preclude an aggrieved taxpayer from contesting his or her assessment in the manner provided by s. 194.171, whether or not he or she has initiated an action pursuant to s. 194.011.

(c) The rules shall provide that no evidence shall be considered by the board except when presented during the time scheduled for the petitioner's hearing or at a time when the petitioner has been given reasonable notice; that a verbatim record of the proceedings shall be made, and proof of any documentary evidence presented shall be preserved and made available to the Department of Revenue, if requested; and that further judicial proceedings shall be as provided in s. 194.036.

(d) Notwithstanding the provisions of this subsection, no petitioner may present for consideration, nor may a board or special master accept for consideration, testimony or other evidentiary materials that were requested of the petitioner in writing by the property appraiser of which the petitioner had knowledge and denied to the property appraiser.

(e) Chapter 120 does not apply to hearings of the value adjustment board.

(f) An assessment may not be contested until a return required by s. 193.052 has been filed.

(2) In each case, except when a complaint is withdrawn by the petitioner or is acknowledged as correct by the property appraiser, the value adjustment board shall render a written decision. All such decisions shall be issued within 20 calendar days of the last day the board is in session under s. 194.032. The decision of the board shall contain findings of fact and conclusions of law and shall include reasons for upholding or overturning the determination of the property appraiser. When a special master has been appointed, the recommendations of the special master shall be considered by the board. The clerk, upon issuance of the decisions, shall, on a form provided by the Department of Revenue,

notify by first-class mail each taxpayer, the property appraiser, and the department of the decision of the board.

(3) Appearance before an advisory board or agency created by the county may not be required as a prerequisite condition to appearing before the value adjustment board.

(4) A condominium homeowners' association may appear before the board to present testimony and evidence regarding the assessment of condominium units which the association represents. Such testimony and evidence shall be considered by the board with respect to hearing petitions filed by individual condominium unit owners, unless the owner requests otherwise.

(5) For the purposes of review of a petition, the board may consider assessments among comparable properties within homogeneous areas or neighborhoods.

(6) For purposes of hearing joint petitions filed pursuant to s. 194.011(3)(e), each included parcel shall be considered by the board as a separate petition. Such separate petitions shall be heard consecutively by the board. If a special master is appointed, such separate petitions shall all be assigned to the same special master.

History.—s. 21, ch. 83-204; s. 12, ch. 83-216; s. 3, ch. 86-175; s. 147, ch. 91-112; s. 2, ch. 92-32; s. 980, ch. 95-147.

194.035 Special masters; property evaluators.—

(1) The board is authorized to appoint special masters for the purpose of taking testimony and making recommendations to the board, which recommendations the board may act upon without further hearing. Such special masters may not be elected or appointed officials or employees of the county but shall be selected from a list of those qualified individuals who are willing to serve as special masters. The clerk of the board shall annually notify such individuals or their professional associations to make known to them that opportunities to serve as special masters exist. A special master shall be either a member of The Florida Bar and knowledgeable in the area of ad valorem taxation or a designated member of a professionally recognized real estate appraisers' organization and have not less than 5 years' experience in property valuation. A special master need not be a resident of the county in which he or she serves. No special master shall be permitted to represent a person before the board in any tax year during which he or she has served that board as a special master. The board shall appoint such masters from the list so compiled prior to convening of the board. The expense of hearings before special masters and any compensation of special masters shall be borne three-fifths by the board of county commissioners and two-fifths by the school board.

(2) The value adjustment board of each county may employ qualified property appraisers or evaluators to appear before the value adjustment board at that meeting of the board which is held for the purpose of hearing complaints. Such property appraisers or evaluators shall present testimony as to the just value of any property the value of which is contested before the board and shall submit to examination by the board, the taxpayer, and the property appraiser.

History.—s. 22, ch. 83-204; s. 148, ch. 91-112; s. 981, ch. 95-147.

194.036 Appeals.—Appeals of the decisions of the board shall be as follows:

(1) If the property appraiser disagrees with the decision of the board, he or she may appeal the decision to the circuit court if one or more of the following criteria are met:

(a) The property appraiser determines and affirmatively asserts in any legal proceeding that there is a specific constitutional or statutory violation, or a specific violation of administrative rules, in the decision of the board, except that nothing herein shall authorize the property appraiser to institute any suit to challenge the validity of any portion of the constitution or of any duly enacted legislative act of this state;

(b) There is a variance from the property appraiser's assessed value in excess of the following: 15 percent variance from any assessment of \$50,000 or less; 10 percent variance from any assessment in excess of \$50,000 but not in excess of \$500,000; 7.5 percent variance from any assessment in excess of \$500,000 but not in excess of \$1 million; or 5 percent variance from any assessment in excess of \$1 million; or

(c) There is an assertion by the property appraiser to the Department of Revenue that there exists a consistent and continuous violation of the intent of the law or administrative rules by the value adjustment board in its decisions. The property appraiser shall notify the department of those portions of the tax roll for which the assertion is made. The department shall thereupon notify the clerk of the board who shall, within 15 days of the notification by the department, send the written decisions of the board to the department. Within 30 days of the receipt of the decisions by the department, the department shall notify the property appraiser of its decision relative to further judicial proceedings. If the department finds upon investigation that a consistent and continuous violation of the intent of the law or administrative rules by the board has occurred, it shall so inform the property appraiser, who may thereupon bring suit in circuit court against the value adjustment board for injunctive relief to prohibit continuation of the violation of the law or administrative rules and for a mandatory injunction to restore the tax roll to its just value in such amount as determined by judicial proceeding. However, when a final judicial decision is rendered as a result of an appeal filed pursuant to this paragraph which alters or changes an assessment of a parcel of property of any taxpayer not a party to such procedure, such taxpayer shall have 60 days from the date of the final judicial decision to file an action to contest such altered or changed assessment pursuant to s. 194.171(1), and the provisions of s. 194.171(2) shall not bar such action.

(2) Any taxpayer may bring an action to contest a tax assessment pursuant to s. 194.171.

(3) The circuit court proceeding shall be de novo, and the burden of proof shall be upon the party initiating the action.

History.—s. 23, ch. 83-204; s. 149, ch. 91-112; s. 982, ch. 95-147.

194.037 Disclosure of tax impact.—

(1) After hearing all petitions, complaints, appeals, and disputes, the clerk shall make public notice of the

findings and results of the board in at least a quarter-page size advertisement of a standard size or tabloid size newspaper, and the headline shall be in a type no smaller than 18 point. The advertisement shall not be placed in that portion of the newspaper where legal notices and classified advertisements appear. The advertisement shall be published in a newspaper of general paid circulation in the county. The newspaper selected shall be one of general interest and readership in the community, and not one of limited subject matter, pursuant to chapter 50. The headline shall read: TAX IMPACT OF VALUE ADJUSTMENT BOARD. The public notice shall list the members of the value adjustment board and the taxing authorities to which they are elected. The form shall show, in columnar form, for each of the property classes listed under subsection (2), the following information, with appropriate column totals:

(a) In the first column, the number of parcels for which the board granted exemptions that had been denied or that had not been acted upon by the property appraiser.

(b) In the second column, the number of parcels for which petitions were filed concerning a property tax exemption.

(c) In the third column, the number of parcels for which the board reduced the assessment from that made by the property appraiser on the initial assessment roll.

(d) In the fourth column, the number of parcels for which petitions were filed requesting a change in assessed value, including requested changes in assessment classification.

(e) In the fifth column, the net change in taxable value from the assessor's initial roll which results from board decisions.

(f) In the sixth column, the net shift in taxes to parcels not granted relief by the board. The shift shall be computed as the amount shown in column 5 multiplied by the applicable millage rates adopted by the taxing authorities in hearings held pursuant to s. 200.065(2)(d) or adopted by vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution, but without adjustment as authorized pursuant to s. 200.065(5). If for any taxing authority the hearing has not been completed at the time the notice required herein is prepared, the millage rate used shall be that adopted in the hearing held pursuant to s. 200.065(2)(c).

(2) There shall be a line entry in each of the columns described above, for each of the following property classes:

(a) Improved residential property, which shall be identified as "Residential."

(b) Improved commercial property, which shall be identified as "Commercial."

(c) Improved industrial property, utility property, leasehold interests, subsurface rights, and other property not properly attributable to other classes listed herein, which shall be identified as "Industrial and Misc."

(d) Agricultural property, which shall be identified as "Agricultural."

(e) Tangible personal property, which shall be identified as "Business Machinery and Equipment."

(f) Vacant land and nonagricultural acreage, which shall be identified as "Vacant Lots and Acreage."

(3) The form of the notice, including appropriate narrative and column descriptions, shall be prescribed by department rule and shall be brief and nontechnical to minimize confusion for the average taxpayer.

(2) No action shall be brought to contest a tax assessment after 60 days from the date the assessment being contested is certified for collection under s. 193.122(2), or after 60 days from the date a decision is rendered concerning such assessment by the value adjustment board if a petition contesting the assessment had not received final action by the value adjustment board prior to extension of the roll under s. 197.323.

(3) Before an action to contest a tax assessment may be brought, the taxpayer shall pay to the collector not less than the amount of the tax which the taxpayer admits in good faith to be owing. The collector shall issue a receipt for the payment, and the receipt shall be filed with the complaint. Notwithstanding the provisions of chapter 197, payment of the taxes the taxpayer admits to be due and owing and the timely filing of an action pursuant to this section shall suspend all procedures for the collection of taxes prior to final disposition of the action.

(4) Payment of a tax shall not be deemed an admission that the tax was due and shall not prejudice the right to bring a timely action as provided in subsection (2) to challenge such tax and seek a refund.

(5) No action to contest a tax assessment may be maintained, and any such action shall be dismissed, unless all taxes on the property assessed in years after the action is brought, which the taxpayer in good faith admits to be owing, are paid before they become delinquent.

(6) The requirements of subsections (2), (3), and (5) are jurisdictional. No court shall have jurisdiction in such cases until after the requirements of both subsections (2) and (3) have been met. In any case brought by the property appraiser pursuant to s. 194.036(1)(c), the value adjustment board shall be party defendant.

(5) In any suit in which the assessment of any tax, or the collection of any tax, tax certificate, or tax deed is contested on the ground that it is contrary to the State Constitution, the official of the state government responsible for overall supervision of the assessment and collection of such tax shall be made a party defendant of such suit. Any such suit shall be brought in that county having venue under s. 194.171 or, when that section is inapplicable, in the Circuit Court of Leon County, and the attorney for the defendant county officer shall upon request represent the state official in any such suit or proceeding, for which he or she shall receive no additional compensation.
