A proposal to revise
ARTICLE III, s. 1, Fla. Const.; providing that
the Legislature may consist of senate districts
and representative districts that overlap or
that are identical in territory with one
another.

It is proposed by the Florida Constitution Revision Commission that:

Section 1. Section 1 of Article III of the Florida Constitution is revised by amending that section to read:

ARTICLE III
LEGISLATURE
SECTION 1. Composition.--The legislative power of the state shall be vested in a legislature of the State of Florida, consisting of a senate composed of one senator elected from each senatorial district and a house of representatives composed of one member elected from each representative district. The geographic territory of a senatorial district may overlap or consist of territory identical to another senatorial district, and the geographic territory of a representative district may overlap or consist of territory identical to another representative district.
